WHO WE ARE

Open Sea is a specialized rib chartering firm in Greece. Greece is full of hidden gems waiting to be discovered and explored. We created Open Sea to share our passion for the sea with like minded people. People who are passionate about Greek deep blue and are eager to explore destinations they have never heard before.

SEA IS OUR PASSION

We are three men Kimon, Eftyhis and Christos sharing three different lives. We left behind our conventional jobs and gave shape to the vision of creating exciting experiences. In "Open Sea" we explore the Greek seas in order to offer unique escape experiences from ordinary life. Our passion reflects the morning breeze while sailing. The wind that hits our face when the rib rides the waves. The sunset in the end of the sea while the engines are switched off. We will never stop serving this passion.

OUR PEOPLE

While it would be easy to credit our successes to superior ribs, company structures, state of the art premises and technologies, the reality is this:

*Our people
make us unique.*

OUR CREW -SKIPPER

With over 20 employees on four different departments, Open Sea is made up of smart, creative, nautical experienced, sea passionate driven people. We are experience makers, certified speed boat captains, naval architects and engineers, certified skippers, technical experts and above all adventure seekers and deep blue passionate people.

TECHNICAL DEPARTMENT

Our technical department is made up of highly trained, long experienced naval architects, engineers, and specialized electricians. They are here to inspect every boat day by day, ensuring its state of the art navigation. With thousand hours of technical experience they are here to ensure the highest quality for your rib experience in terms of all safety features.

CUSTOMER SERVICE

A group of experienced, smart, creative, marketers and concierge experts make up our customer service department. We help sea enthusiasts, group of friends, families, tourists and companies enjoy a great sea experience exploring the hidden Greek gems and escaping in infinite secret destinations. We are here to design for you the perfect sea experience.

OUR PREMISES

Our premises are strategically located in the area of Anavissos. Just two minutes away from the sea, we give you direct access to infinite destinations to choose from.

Just a few minutes away from key residential areas, your daily or weekend getaway is a matter of a small decision for a great experience. Open Sea's premises location offers you the opportunity to start a unique exploration of the Aegean deep waters and escape to a number of close destinations within minutes.
